

Frank W. Cornell (MBA '78, EdD '04) was born in Illinois but attended St Monica Catholic High School and Santa Monica City College. Frank moved on to Cal Poly Pomona and lettered in football and track. Frank served the country in the United States Marine Corps Reserve and was an engineer at McDonnell Douglas on nuclear defense. He obtained his doctorate from Pepperdine GSEP and went on to develop the FWC Realty Services Corporation in California and Arizona. Together, Sherry and Frank Cornell are dedicated to providing low-income housing opportunities to those in their extended communities.
