As a founding principal of Province, he provides restructuring and turnaround advisory services, including C-level interim management, for distressed companies in the gaming, hospitality, media and real estate sectors. Throughout his career, Mr. Hamilton has participated in and led a myriad of portfolio workouts, capital-raising efforts, and distressed asset acquisitions and liquidations. Additionally, he has extensive experience in reorganization advisory services involving pre-bankruptcy strategic alternatives and planning, financial forecasting and analysis, business plan development, creditor/leaseholder communications and negotiations, cost reduction initiatives, identifying and stabilizing core operations and the analysis of asset sales, divestitures, or shutdown.
