

June 2022: Updated Bio:

Vincent Monteparte is a seasoned entrepreneur, financier, and investment banker for software/technology companies over the past 25 years. He began his career as an entrepreneur founding various technology companies, most recently Miro Technologies, a SaaS solution to modernize the maintenance, repair, overhaul, and supply chain optimization for complex assets, which was sold to a Fortune 100 company. Currently, Vince is a principal with Global Capital Markets, a leading M&A firm for middle-market companies, and a Venture Partner with Sway Ventures, a venture capital firm that backs industry disruption founders. Vince is a member of the Board of Directors for a number of public and private software/technology companies. In addition to serving on the Board of Advisors for the Pepperdine Graziadio School of Business, Vince serves on the board of Embry Riddle Aeronautical University.
