Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Section A. Student Information

Student Name: _____ Campus-Wide ID: _____

Section B. Family Size

Family size includes the following:

- The student
- The parents (including a stepparent) even if the student doesn't live with the parent
- The parents' other children if the parent will provide more than half of their support from July 1, 2025, through June 30, 2026, or if the other children would be required to provide parental information if they were completing a 2025-2026 FAFSA. Include children who meet either of these standards, even if a child does not live with the parents.
- Other people if they now live with the parents and the parents provide more than half of the other person's support, and will continue to provide more than half of that person's support through June 30, 2026.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.
