"Global Enterprise Management: "Financial, Political, & Economic Strategy for Global Markets"

What Students Say About This Course

- ❖ *“A unique opportunity to hear insights and strategies from top level industry and government leaders.”*
- ❖ *“... and then the magic happened, Peter Lee of UBS. He is one of those men you want to hang around in hope that some of him rubs off on you.”*
- ❖ *“A rare opportunity to see textbook learning come to life.”*
- ❖ *“extremely valuable. It expanded my knowledge of fiancé and economics.”*
- ❖ *“I came in contact with the CEO of asset management only 3 years older than me and a compensation package more than I will make in my entire career.”*
- ❖ *“We were very fortunate to hear Anna. Her research is clearly on the cutting edge of macroeconomic theory.”*
- ❖ *“I was able to ask many of the employees of Goldman Sachs about careers in finance.”*
- ❖ *“The New York Stock Exchange was amazing; being on the floor during trading hours.”*

Students meeting with the United State Chamber of Commerce representing over 3 million businesses
