Oct. 2 Update

Partner University Destination Form

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**IMPORTANT!** This form must accompany your completed application for the One-Trimester Study Abroad program.

Please select your top 3 or more partner university destination choices. Indicate your choices by writing the appropriate number in the box beside the partner university names.

For example, if Korea University is your # 1 choice, put a 1 in the box.

- Choose only universities for which you meet the requirements indicated, such as GPA, foreign language proficiency, etc.
- Generally, 2 spots are available at each partner university unless otherwise noted on the "International Programs Destinations" sheet available at <https://wavenet.pepperdine.edu> under Academic Resources -> Global Programs.
- Exchange opportunities are continually being evaluated and negotiated. The following list is subject to change.
- Programs and course offerings at the partner universities are subject to change.

When your application is reviewed, your first choice will be considered first, but due to limited spots at each destination, your choices cannot be guaranteed. You will not be considered for a destination country in which you have already lived a significant portion of your life.

*The Full-Time Programs Committee reserves the right to make decisions regarding the destination placement of students in the One-Trimester Study Abroad Program. The goal of this Study Abroad Program is to match students with destinations in which they are most likely to have a successful experience and to represent Pepperdine well. Adherence to partner universities' requirements for admissions, such as GPA, language proficiency, etc, is strictly honored.*
